

Cash in your Gold

Bring in your old gold, we'll test it to determine what is gold, what the purity is, and pay you on the spot based on Gold Market that day.

Don't trust mailing it away or taking it to a Gold party or traveling convention. Trust your local jeweler who lives and works in your community.

Want to **DOUBLE** the value? Trade in your gold at Roemer's toward a jewelry purchase and we'll **double** the scrap gold value toward the purchase.*

*Only on custom mountings or in-stock items

Don't delay. Come in now with your gold and find out what it's worth to you!
